

2010 WAFC Teen Zone Registration

Marriott Desert Springs, April 17-21

“Educating Tomorrow’s Leaders Today”

Dear WAFC Convention Parents,

This year we are pleased to offer **TEEN ZONE**, thanks to the generosity of Kellogg’s, for all WAFC teenagers. This program will be scheduled for Sunday and Monday night exclusively at the legendary Costa’s Nightclub, and meals will be served.

“Express Your Creativity!” On Sunday evening teens will create their very own video game!

They will work their way through basic character design, level design, landscapes, plots and themes. The workshop will be instructed by video game pros. There will be 10 computer stations equipped with internet access. Instructors will also showcase a special workshop on “Face Book, MySpace, and Twitter” with a “Q and A” session about what teens should know on safety, security and privacy when on the internet. – Following the instruction they will feast on a fabulous dinner buffet.

“Lights, Camera, Action!” On Monday evening teens will make their own motion picture!

They will shoot, edit and produce their own short film. They will learn about airbrush and special effect makeup and how to use a “Green Screen Backdrop” plus video editing. The event will be instructed by a AV expert and a Movie Make Up artist. Teens will be able to view and share with others their final creation. – Following the workshop a dinner buffet will be served

To secure a place for your teen, please indicate below the sessions they will attend. **Mail or E-mail this form immediately to me, and I will call you with your TEEN ZONE confirmation number(s) prior to the convention.
